Information Disclosure Statement
In Accordance With 37 CFR 1.97 And 1.98

Honorable Sir:

For the convenience of the United States Patent and Trademark Office and pursuant to 37 CFR 1.97 and 1.98, record is hereby made of information which the Patent Office may wish to consider in connection with its examination of the above-identified patent application. Enclosed is a list of all patents, publications and other information submitted for consideration along with a legible copy of any non U.S. patent documents. This Information Disclosure Statement should not be considered as a representation that a search has been made, as a representation that no other potentially material references may exist, or as an admission that the information cited in this statement is, or is considered to be material to patentability as defined in 37 C.F.R. §1.56(b).

The cited prior art was cited in an October 8, 2004 search report in applicant's corresponding European patent application.

Applicant's undersigned attorney certifies that each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign/International patent office in a counterpart patent application not more than three months prior to the filing date of this Statement.

Applicant's undersigned attorney certifies that no item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application or, to the knowledge of applicant's undersigned attorney after making reasonably inquiry, was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of this Statement.

It is respectfully submitted that applicant's claimed invention is patentable over the enclosed art. Early and favorable action is solicited.

Respectfully submitted,

By Oliver E. Todd, Jr.
